# 12 Outsourcing Bioavailability and Bioequivalence Studies to Contract Research Organizations

*Patrick K. Noonan*

## CONTENTS

Why Outsource?.....	267
What Is the Goal/Reason for Outsourcing? .....	267
Outsourcing Relationship: Vendor versus Partnership .....	268
Vendor .....	269
Preferred Provider .....	269
Partner .....	269
Timing/Cost Considerations.....	270
Identification of Appropriate CROs .....	271
Assessment of Capabilities and Experience.....	271
Clinical Capabilities .....	271
Bioanalytical Capabilities .....	272
Pharmacokinetic Capabilities.....	272
Timeline Assessment.....	272
CRO Qualification.....	272
Due Diligence.....	272
Clinical Site Qualification/Audit.....	273
Bioanalytical Site Qualification .....	274
Pharmacokinetic Site Qualification.....	274
Culture.....	275
Competitive Bids/Defining the Deliverables.....	275
Final Report Content and Format.....	275
Final Written Report.....	275
Submission of Data and Reports to the FDA .....	276
Clinical .....	277
Protocol Development.....	277
Protocol Format.....	277
